Dear [Name],

RE: [SUBJECT OF THE LETTER]

Thank you for inviting Touch of God Electrical Installation to look at your project. Following our site inspection on [date], please find enclosed our itemised quotation covering materials, labour and a proposed timeline.

Every installation we carry out is planned around correct load calculation, protection devices and earthing, and is tested before handover. Should any part of the scope change on site, we will confirm the revised cost with you in writing before proceeding.

We would be glad to answer any questions or walk through the quotation with you at a convenient time. You can reach us on the phone or WhatsApp number above.

Yours faithfully,
